

BM1/D

Electric bain-marie, table model GN1/1 150 mm

- Tub thumped GN 1/1 in stainless steel AISI 304.
- Heated by armoured elements in stainless and placed underneath the tub.
- Thermostatic regulation till 90°C.
- Chassis in stainless steel.

mm	kW	V	kg	m³
330x540xh220	1,5	230/1	10,5	0,10

BMZR/D

Electric bain-marie, table model GN1/1 150 mm

- Tub thumped GN 1/1 in stainless steel AISI 304 with waste crane.
- Heated by armoured elements in stainless and placed underneath the tub.
- Thermostatic regulation till 90°C.
- Chassis in stainless steel.

mm	kW	V	kg	m³
330x540xh220	1,5	230/1	10,5	0,10

Gas Bain-marie

- Manufactured in Stainless/steel 18/10 AISI 304, with adjustable feet in stainless/steel.
- Tank** in Stainless/steel AISI 304, comes with perforated base, drainage tap (bullet) sited in front of the machine, with tap to fill up the tank.
- Gas burner** stainless steel with static flame. Thermostatic temperature control 30°C to 90°C.

G99/BMA1

Gas Bain-marie 4 x GN1/3h 150mm, on cupboard

- Dimension tank: 305x630xh155 mm, for GN with maximum depth up to 150 mm.
- Open base dimension 345x750xh380 mm.
- NB : GN not included.

mm	kcal-h / kW	V	kg	m ³
450x900xh850/930	3612 / 4,2	-	70	0,55

G99/BMA2

Gas Bain marie 8 x GN1/3h 150mm, on open base

- Dimensions tank 700x630xh155 mm, for GN with maximum depth up to 150 mm.
- Open base, dimension 670x750xh380 mm.
- NB : GN not included.

mm	kcal-h / kW	V	kg	m ³
900x900xh850/930	5332 / 6,2	-	108	1

Electric bain marie

- Manufactured in Stainless/steel 18/10 AISI 304, with adjustable feet in stainless/steel.

Tank in Stainless/steel AISI 304, comes with perforated base, drainage tap (bullet) sited in front of the machine, with tap to fill up the tank.

Electric heater with armoured heating element made in stainless/steel under the tank, switch ON/OFF, Thermostatic temperature control 30°C to 90°C.

E99/BMA1

Electric bain marie 4 x GN1/3h 150mm on cupboard

- Dimension tank: 305x650xh155 mm, for GN with maximum depth up to 150 mm
- Open base dimension 670x750xh380 mm.
- NB : GN not included.
